Dear Parent/Carer

Welcome back to another busy school year. I am delighted at how well our new pupils have settled in and they have already starting visiting my office, writing to me and sending me emails about their ideas and plans.

We are in the process of updating our website, as there have been some staffing changes. Some staff have taken on new roles and some have changed teams. I am attaching a current staffing list, so that you know who is in each team and who might be the best person to talk to if you need to update us on anything or if you have any queries or concerns.

The tutor is usually the best point of contact, along with the Learning Leader. Emails tend to work quite well, but you are also welcome to phone or call in. Max Dale, our receptionist, will pass on messages or arrange for staff to call you.

We are all looking forward to another busy and wonderful year at The Valley School. Thank you for your support

Kind regards

Corina Foster
