

# THE VALLEY SCHOOL

PROPOSED DIRECTED TIME – 2019-2020

The DIRECTED TIME agreement allows for a maximum of 1265 of teachers' working hours to be directed and allocated by the Headteacher. These are allocated within 195 working days and include 5 STAFF DEVELOPMENT DAYS and 190 pupil days.

This agreement was put in place to support teachers and to ensure that teachers could choose how to deploy the **rest** of their professional working time in order to fulfil all the requirements of their role.

Some teachers do not teach all year groups. Others have less than 12 pupils in their tutor group. This extra time may be re-allocated if necessary.
