28<sup>th</sup> February 2020

Dear Parents and Carers

I am delighted with the heroic work that has been completed over the last 2 weeks. Despite atrocious weather, the teams have battled on late into the night and have made outstanding progress.

Understandably, they are not as far forward as they had hoped, but they will have removed most of the scaffolding by Monday. The heating system is now fully operational, as are the storm drains. New skylights have been fitted all around and the roof is now pretty much watertight.

Most of the work can now continue before and after school, so the pupils can return on Monday with only minimal disruption.

Staff have been taking part in training and development activities and have used the time well, for the benefit of our pupils. We can all look forward to a few undisturbed weeks of normality.

Thank you all for your patience and understanding during this time. Thank you especially to Sue Davis, one of our parents, who worked extremely hard to arrange a great selection of family activities for this week.

Yours sincerely

*Corina Foster*
