

Health and Social Care

Health Needs

Task: Create a poster about what services are available to support health needs

- Think about what services we visited in Stevenage town centre
- Use their information to report on what they do, how they help and support your health needs.
- Put all of this on your poster
- Make your poster look colourful and presentable.

Things to include:

- On your poster include the following
 - Name of service
 - What they do
 - How to contact them
 - How they support your health needs
