

Here are some home learning tasks.
Tasks have been split into Bronze, Silver, Gold. Gold is the hardest.
Have a go at any task – if it's too hard, drop down to the next level.

Lessons	Activities	
<p style="text-align: center;">Maths</p> 	<p>Find repeating patterns in your house, garden or while outside exercising.</p>	
	<p> Take photos of them with a camera or phone and create a presentation or collage with them.</p>	
	<p> As above but also describe the patterns. Draw them and add colour.</p>	
<p> Create your own patterns using objects at home or in the garden e.g. stone-leaf-stone-leaf..</p>		

Me and My Body

	<p>Me and my body</p>  <p>Discover as many different short names for different muscles. Can you label a body with at least 7 muscles you know? Try and focus on a smaller area first, E.G the muscles in the leg.</p> <p>Can you name 1 longer name for a muscle? Also if you know the muscle, can you learn the bone too?</p> <p>Can you label a skeleton with the muscles and one with the bones? Can you list some activities that use certain muscles?</p> <p>https://www.youtube.com/watch?v=UGSi_HwgX0k https://www.bbc.co.uk/bitesize/guides/z8n39j6/revision/2</p>	
 <p>Humanities</p>	 <p>How did Tudor people dance? https://www.bbc.co.uk/programmes/p0113zgw</p> <p>Write down what you think of the costumes and the dancing. How is it different to today dancing?</p> <p>https://www.youtube.com/watch?v=MxIFGME_Hsk</p>	

How did Tudor people dance?

<https://www.bbc.co.uk/programmes/p0113zgw>

Write down what you think of the costumes and the dancing. How is it different to today dancing?

Have a go at some of these moves.

https://www.youtube.com/watch?v=MxIFGME_Hsk

How did Tudor people dance?

<https://www.bbc.co.uk/programmes/p0113zgw>

https://www.youtube.com/watch?v=MxIFGME_Hsk

Write down what you think of the costumes and the dancing. How is it different to today dancing?

What do you think the purpose of dancing is. Has it changed over time?

Life Skills:

Still working in your workbook, I would like you to create a recipe book for different athletes.

<https://www.bbcgoodfood.com/recipes/collection/summer-sport>

Task - Create a recipe book including 2 recipes for an athlete, then try and make one of those dishes following your own recipe.

Life Skills:

Still working in your workbook, I would like you to create a recipe book for different athletes.

<https://www.bbcgoodfood.com/recipes/collection/summer-sport>

Task - Create a recipe book including 3 recipes for anyone, then try and make one of those dishes following your own recipe.

Life Skills:

Still working in your workbook, I would like you to create a recipe book for different athletes.

<https://www.bbcgoodfood.com/recipes/collection/summer-sport>

Task - Design a unique meal for yourself and think outside the box. Make something crazy, something you wouldn't be able to buy somewhere.

For example, Chocolate bread. Write a list of the ingredients you need and how much they cost.

Art

Not so Still Life

This is a memory and quick drawing challenge which you can do from the comfort of your sofa.

You'll need paper and pencils or pens.

Pick your favorite film or TV show. As you watch, keep a look out for an image which stands out.

Capture the image in your mind and sketch it as quickly as you can from memory.

Repeat with other images and see how much you remember.

* You can always pause and rewind if you get stuck.

Hide five toys around your house. Create a scavenger hunt with clues for someone to find them.

Get outside!
Build a fort, climb a tree, jump on the tramp, kick a ball around - have fun!

Below are some sheets which may be referred to in the above tasks.

Extra maths fun activity.

Make it!

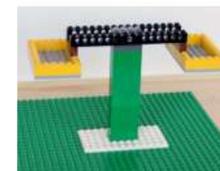

#MathsEveryoneCanAtHome

Designing and building models is the perfect opportunity to use our measuring skills.

Design and build a model using any materials you have in your house. It could be a model of your home, another building or be something completely unique.

How tall is your model? What shapes have you used?
Don't forget to share your photos with us!
