Dear Parents and Carers,

Year 8 Parent Consultation Meeting – 12th May 2021

Due to the current Coronavirus pandemic we have been required to think creatively as to how we can best provide you with feedback to how your child is getting on at The Valley School.

The model we have developed for the current Year 8 cohort will consist of 15 minute online consultations, via Google Meet.

Please complete the attached reply slip to book your conversations with selected staff.

Remote consultation meetings will take place on Wednesday 12th May. Appointments will take place between 4.00pm and 7:00pm.

If you require discussions with any other staff members, or have any questions relating to other subjects then these will be addressed via a telephone call in the following weeks.

We understand that this is not an ideal situation as we would much rather meet with you in person to discuss how your child is progressing. However, we need to ensure the safety of all whilst respecting national lockdown rules.

We look forward to speaking to you soon.

Yours sincerely

Catherine Wharton
Learning Leader Year 8
