Dear Parents and Carers,

RE: Reward Initiative – Early finish for Year 11 students

As part of our whole-school rewards initiative, Year 11 students will have the opportunity to earn points each week and if they earn at least 16 points each day (80 per week) then they have a choice of rewards that they can take part in on a Friday afternoon. One of the rewards available to students in Year 11 is an early finish on a Friday afternoon, whereby students will be able to leave the school site at 1:35pm after afternoon registration.

To enable your child to choose this option as their reward, we must have consent from parents and carers. No response will mean no permission.

There will be alternative rewards available on a Friday for students that are unable to leave early.

Please contact me if you have any questions.

Kind regards

Sarah Small

I do/do not give permission for my child to finish school early on a Friday if they choose this as their reward.
