

## The Valley School 2021-22 Reporting and Parents' Evening Schedule

At The Valley School we are committed to maintaining excellent communication links with parents. We welcome any contact parents make and appointments can be made at any time through the Admin Office by calling (01428) 747274 or emailing [admin@thevalley.herts.sch.uk](mailto:admin@thevalley.herts.sch.uk).

Further communication includes the school website and the weekly letter from the Headteacher Mr D Pearce.

More formal communication about the progress of The Valley students is shared through written reports and parents' evenings. We think it is really important that this form of communication occurs every term throughout the students' journey through the school.

The Reporting and Parents' Evening plan can be seen below. Please note that there are two Parents' Evenings on those crucial years of Year 7, 9 and 11 and a full written report for every child once a year.

| Year    | Autumn Term         | Date     | Spring Term         | Date     | Summer Term         | Date     |
