

Maths 5

Count, read and write numbers up to 10000

Order and compare numbers up to 10000

Add and subtract using four-digit whole numbers

Multiply two-digit whole numbers by double-digit whole numbers

Divide three-digit whole numbers by double-digit whole numbers and express remainders

Approximate by rounding numbers less than 1000 to the nearest 10 or 100 and use this rounded answer to check results

Recognise and continue linear sequences of numbers up to 100

Read, write and understand thirds, quarters, fifths and tenths, including equivalent forms

Read, write and use decimals up to two decimal places

Calculate with money using decimal notation and express money correctly in writing in pounds and pence

Round amounts of money to the nearest £1 or 10p

Read, measure and record time using am and pm

Read time from analogue and 24-hour digital clocks in hours and minutes

Use and compare metric measures of length, including millimetres, centimetres, metres and kilometres

Use and compare measures of weight, including grams and kilograms

Use and compare measures of capacity, including millilitres and litres

Sort 2-D and 3-D shapes using properties, including lines of symmetry, length, right angles and angles

Use appropriate positional vocabulary to describe position and direction, including eight compass points and full/half/quarter turns

Read and plot coordinates in the first quadrant

Extract information from lists, tables, diagrams and charts and create frequency tables

Organise and represent information in appropriate ways, including tables, diagrams, simple line graphs and bar charts

Use appropriate methods to produce, check and present results that make sense to an appropriate level of accuracy
