Thursday 8th June 2023

Dear Parents/Carers,

Whole School Trip

On Friday 30th June we will be taking the whole school community on a trip to Gulliver's Land near Milton Keynes.

The school site will be closed for the day as every member of staff, including the site and office team, and every child will be attending.

The motivation for the trip

We have very high aspirations for our young people and we set some clear targets for them to meet for this trip to go ahead. They have responded amazingly; really enjoying the rewards culture within the school. I know that the staff and students are really looking forward to the day and the many opportunities it will provide, from engaging in new experiences to building new relationships.

Arrangements

We will be travelling to and from the venue by coach. The Interventions Team will also be taking a minibus for those students who may need slightly different arrangements.

The trip will only be during school hours so 'normal' transport arrangements to and from the school will be maintained.

Each Year Group will have their own coach and each Head of Year will make the more specific arrangements for their Year Team.

We will provide food for all students with an enhanced, upgraded, packed lunch.

Students should bring a bottle of water with them and any additional snacks they think they might need. They can also bring a small amount of money for the gift shop but this will be their responsibility to look after.

Please look out for a follow up letter which will be sent out by your child's Head of Year in the next couple of weeks.

If you have any further questions please email admin@thevalley.herts.sch.uk

Yours sincerely,

Headteacher
The Valley School
